

# Kinsley-Offerle Unified School District #347

## INDIVIDUAL DEVELOPMENT PLAN

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Highest Degree Attained: \_\_\_\_\_

Teacher ID # : \_\_\_\_\_

Re-licensure Date: \_\_\_\_\_

Building : \_\_\_\_\_

### District priorities

1. Support the QPA accreditation process and the school improvement plan.
2. Support school improvement effort to achieve the goal of No Child Left Behind.
3. Use results-based teaching and learning in all content areas.
4. Increase focus on learning readiness in our pre-K through third grade learning program.
5. Integrate technology to enhance teaching and learning.
6. Strengthen trust and working relationships among our stakeholders.
7. Support the implementation of individual learning for at-risk students to help all

### Building Goals

#### Junior/Senior High School

1. Support the effective and appropriate use of research based strategies/programs to increase student achievement in mathematics, reading, language arts, science, and social studies.
2. Provide support, resources, and a positive school climate to all students to assist them in becoming independent life-long learners.

#### Elementary-

1. Support programs, strategies, and assessments that research verifies to help all students reach proficiency in reading, writing, mathematics, science, and social studies.

My goals for professional development are listed below. These goals focus on increasing my knowledge/skills and implementation related to improvement of student learning.
